- Articles from journals (peer-reviewed) and from books
- Free full-texts, e. g. working papers from economics

Tips on how to search for literature and how to write papers and theses

Search and evaluate

Access full-texts

Cite correctly

Use Research Guide EconDesk for individual consultations: write an email or chat with us:

## ECONBIZ FOR RESEARCHERS AND TEACHERS

→ Find articles and working papers

- Peer-reviewed articles from journals and the latest working papers from economics and business studies
- Search for conferences by topic or location and deadlines for Calls for papers.
- Save your own literature lists and share them with your peers or with your students.

Save your favourites in lists and share them with others.

## ECONBIZ FOR RESEARCH INSTITUTES

→ Make your conferences visible

- Suggest your conferences and summer schools.
- Entries in the EconBiz calendar of events are found through Google and other search engines.
- Publish your Open Access publications on EconStor to guarantee stable links and long-term availability. The texts can be found in EconBiz, RePEc and Google Scholar.
